BRIAN ODHIAMBO

GRAPHIC DESIGNER

PROFILE

Creative and detail-oriented graphic designer with a strong eye for aesthetics and visual storytelling. Experienced in developing branding materials, logos, social media graphics, and promotional designs tailored to client identity and goals.

WORK EXPERIENCE

Projects

- Brand logo design for small businesses and startups
- Event posters and social media campaigns
- Marketing materials (flyers, brochures, banners)
- Corporate identity packages and brand guides

Over 3 years of practical experience in graphic design, combining both freelance and client-based projects to deliver high-quality visual solutions. During this period, I have designed logos, marketing materials, social media creatives, event posters, and branding assets for a diverse range of clients, helping them effectively communicate their brand messages. Additionally, I worked at Dschool World of Learning for 1 year and 6 months, where I collaborated on educational content design, promotional campaigns, and digital media projects. This role strengthened my ability to work within a team, manage deadlines, and adapt design solutions to meet organizational goals, while maintaining a strong focus on creativity and visual storytelling.
